## Summary

I am a BTech student.

## Education

**B.Tech · DEEN DAYAL UPADHYAY GORAKHPUR UNIVERSITY**      **Nov 2021 - Present**
Computer Science and Engineering · Grade: 8.42

## Projects

**clone basic website of college**      **Mar 2023 - Present**
DEEN DAYAL UPADHYAY GORAKHPUR UNIVERSITY

- Developed a comprehensive clone website for my college, showcasing detailed information on courses offered, engineering faculty details, and contact information to enhance student familiarity with the institution
- Utilized advanced web development techniques to create a user-friendly and visually appealing interface
- Implemented interactive features such as search functionality and easy navigation to enhance user experience
- Collaborated with faculty members and college administration to gather more information about the system and management of the college.

## Skills

html,css,javascript,java,python - basic
